Hello Team!

Our tech can be on site on 9/26 to complete the T&B for this location, however, we need to receive a PO prior to **EOD today** to confirm on our end. We will also need the site superintendent's contact information for our tech to reach out and ensure readiness. Please advise.

Thank you!

Sincerely,

**Claudia Garcia | National Account Specialist**

Will,

I apologize, I was using your company on another project and I thought I awarded this to you ... We are in the last few days of Nike Carlsbad and need to schedule this ASAP.

I just called Jennifer in Customer service and she transferred me to your VM (I just left you a message) but we need to get you guys set up ASAP. Dax Carden is the site super, please reply with your cell # so he can schedule you. We are going for HVAC final inspections 9/23.

Our new RTU's did not arrive on time so we started up existing units. We will have to have you guys come back in January after we install the new RTU's, based on your 2<sup>nd</sup> trip pricing attached, but that will be issued to you as a change order. We have a lift on site for your use.

Thuy,

Please issue a Subcontract for 15-920 S for Air Balance Testing to National Tab for \$4,554.00 (No exhibit A required).

Kelly,

Speaking with Kevin he informed me that we must utilize ; National T and B, For the air balance. Can you please contract them out if you have not done so already.

It is OK for us to utilize ourselves to get us through final inspection but for turnover we must have National perform.
