Thank you for allowing National TAB this opportunity to offer Indoor Air Quality (IAQ) Solutions and the RGF PHI multi-zone Air purification systems.

The impact of harmful bacteria, mold, airborne allergens have been a primary battle for indoor air quality and health. National TAB has developed different IAQ & Renew programs to ensure optimum results to lower the degree to which the HVAC can spread of harmful airborne pathogens. The current outbreak of Coronavirus has stimulated the need to protect employees and the public by ensuring the IAQ can scrub to levels beyond what current filters and quarterly (non-continuous) cleaning can provide. This proposed solution for your application is to install RGF's PHI Air Purification systems. In addition, the PHI technology provides an extended Kill radius downstream of the device to continue to disinfect the indoor air and contact surfaces.

Below is our price to provide and install the RGF PHI Technology Air Purification Systems.

Thank you for allowing National TAB this opportunity to bid on the testing and balancing of this project. The following is our understanding of the scope of work and the associated cost.

TAB Scope:

- All HVAC Units
- All Fans
- All Air Devices
- Building Pressure Functional Check
- HVAC balance schedule of flows as compared to design tolerances
- Reporting & Project Management (*)

***PROJECT MANAGEMENT & REPORTING:** Our reporting and project management system is a live, streaming system powered by **FaciliBuild™** that coordinates our job schedule, interactively, with other networked trade participants and includes seamless file distribution, issue tracking and resolution, in project messaging, and a reporting system that has dynamic (not static) database. When we create a report, we create it with active equipment assets that allows the owner to import our results and continue its use for live maintenance recording. This allows you, at any time, to pull up the full history of your building's complete asset list. This system of assets can belong to the owner for the life of the equipment and your facility.

This proposal includes a written report to be submitted upon completion of all work.

TOTAL PRICE = \$1,950

Any parts if required will be additional. However, no parts will be provided without initial approval unless National TAB, LLC has agreed with the client for a set fee to perform specific task. Lift rental to be additional if required if not provided by owner or GC. Work to be performed 1st shift only.

Not included in price: Sheave or belt replacement, DALT, Sound and Vibration testing, Indoor Air Quality testing, or Pre-testing unless price is specified separately above.
