Reporting & Project Management (*)

***PROJECT MANAGEMENT & REPORTING:** *Our reporting and project management system is a live, streaming system powered by **FaciliBuild™** that coordinates our job schedule, interactively, with other networked trade participants and includes seamless file distribution, issue tracking and resolution, in project messaging, and a reporting system that has dynamic (not static) database. When we create a report, we create it with active equipment assets that allows the owner to import our results and continue its use for live maintenance recording. This allows you, at any time, to pull up the full history of your building's complete asset list. This system of assets can belong to the owner for the life of the equipment and your facility.*

This proposal includes a written report to be submitted upon completion of all work.

TOTAL PRICE = \$2,675

Any parts if required will be additional. However, no parts will be provided without initial approval unless National TAB, LLC has agreed with the client for a set fee to perform specific task. Lift rental to be additional if required if not provided by owner or GC. Work to be performed 1st shift only.

Not included in price: Sheave or belt replacement, DALT, Sound and Vibration testing, Indoor Air Quality testing, or Pre-testing unless price is specified separately above.
