GENERAL READINESS

Roof Access: DOES BUILDING HAVE ROOF HATCH OR A LADDER FOR ROOF ACCESS? IS A IT LOCKED AND WILL MANAGER HAVE KEY AVAILABLE? IF LADDER IS REQUIRED, WHAT SIZE AND DETAILS?

Store Manager Damien has a step ladder we can use to access the roof ladder. The roof ladder has a bike lock on it, he does not have the key, but said it only covers the bottom 5 feet or so, and with a step ladder we can easily access the roof ladder. District Manager Bethany is also checking to see if she has a key or access code for the lock.
