Upon termination or expiration of this Agreement, or upon written request of AES, Subcontractor will no longer use any Confidential Information and will destroy or return, at AES's option, all such information to AES. The parties acknowledge and agree that damages at law would be insufficient in the event of breach of any obligation contained in this section. Accordingly, the parties agree that in the event of a breach or threatened breach, AES may be entitled to injunctive or other equitable relief without the need for posting a bond, in addition to other remedies or rights that may be available, including monetary damages.

22. AES and Subcontractor will attempt to amicably resolve any dispute arising under this Agreement. If the parties are unable to resolve the dispute within 30 days following written notice of the dispute, either party may initiate litigation. The laws of the State of Texas will exclusively govern this Agreement without regard to any conflict of laws provision. All litigation will be brought in a court of competent jurisdiction in Dallas County, Texas, and the parties agree to submit to the personal jurisdiction of such courts.

LEGAL FEES

23. If either party seeks monetary damages from the other party, and a final judgment is entered entirely in favor of the party defending the monetary damages claim, then the party who brought such monetary claim shall reimburse the defending party for its reasonable attorney's fees and costs paid defending that claim. Otherwise, each party shall bear its own fees and expenses unless otherwise provided by statute. The judge presiding in any such legal proceeding will determine based on all the facts and circumstances which party or whether any party is a "prevailing" party.

Notices will be effective upon the earlier of receipt or three (3) business days after being sent in accordance with this Section. Copies of all notices sent to AES will also be sent to: Lennox International Inc. 2140 Lake Park Blvd, Richardson, TX 75080, Attn: Legal Department.

written or oral, and cancels and supersedes any terms and conditions which may appear on any invoice, purchase order, receipt or other form ("Sales Form") issued by or on behalf of Subcontractor prior to, during, or after the course of performance of this Agreement. Notwithstanding AES's signature on any Sales Form, AES will not be bound by any of the terms of such Sales Form. This Agreement may not be amended, except by a written instrument signed by both Subcontractor and AES. If either party fails to require the other to perform any term of this Agreement, that failure does not prevent the party from later enforcing that term. No claim or right arising out of this Agreement can be discharged in whole or in part except by a waiver made in writing signed by the waiving party. AES's remedies under this Agreement are cumulative and include all rights at law and in equity. If any part of this Agreement is found to be unenforceable, all other parts will remain enforceable.
