Hi Dan,

Our leadtime is extended right now due to the end of the year craziness and also the holiday season. Would it be possible to schedule for January?

We can still probably find a way to make December happen for you but just trying to get my options together I see that we have access on sitefolio so I'll review the drawings and get you a proposal

Thanks!

Gentleman:

Would it be possible for you to schedule a test and balance at New Store, King Soopers #116, 13525 Quebec Street, Thornton, CO 80602 on 12/5/22. Contractor feels he will be in good shape by then.

Let me know,
