

01-27-25 FIVE GUYS #1548 - OKLAHOMA CITY, OK (W. MEMORIAL RD) RENEW

Project Issue Information

Issue Name : Dining rtu needs new board
Description : Rtu is not heating or cooling or doing anything. Tested it out and found board to be bad in the rtu. I tried to bypass thermostat and jumped it from r to each terminal and nothing happened on any of them. I can manually push contractors in to get things to run. unit has power and thermostat has power.
