R&M | Needs Service

Per separate email chain,

National TAB - store is in need of balance. MUA unit had blower replaced, and the fryer side of the hood keeps tripping the CO sensor. I believe some other HVAC work has been done recently as well, so the system needs to be balanced. MUA unit is currently left off until this can be scheduled.

To avoid processing & payment delays, please invoice your completed work orders within 15 business days. As a reminder, a completed work order requires a completed service assignment & service visit to submit an invoice.
