Thank you for allowing National TAB this opportunity to bid on this project. The following is our understanding of the scope of work and the associated cost.

- In school and NT will need to work around school hours.
- Evaluation on a specific addition of the building (no drawings). Experiencing hot/cold spots.
- Comfort Systems will send a tech to work with NT to make a GRD.
- NT will then read the total flow on said unit. NT will evaluate the unit (speed, OA, amps IF possible) and provide recommendations. All info will be presented to school / engineer.
- NT will return for rebalance when design CFMs are given.
- Reporting & Project Management (*)

*** PROJECT MANAGEMENT & REPORTING:** *Our reporting and project management system is a live, streaming system powered by FaciliBuild™ that coordinates our job schedule, interactively, with other networked trade participants and includes seamless file distribution, issue tracking and resolution, in project messaging, and a reporting system that has dynamic (not static) database. When we create a report, we create it with active equipment asset's that allows the owner to import our results and continue its' use for live maintenance recording. This allows you, at any time, to pull up the full history of your buildings complete asset list. This system of assets can belong to the owner for the life of the equipment and your facility.*

This proposal includes a written report to be submitted upon completion of all work by National TAB.

First Trip for Evaluation = \$995.00*

*NT assuming this will take one trip but unsure on how many terminal devices are needed. Any additional days needed will be \$995.00. Final balance price and scope TBD based on school / engineers direction.

Any parts if required will be additional. However, no parts will be provided without initial approval unless National TAB, LLC has agreed with the client for a set fee to perform specific task. Lift rental to be additional if required if not provided by owner or GC. Work to be performed 1st shift only.

Not included in price: Sheave or belt replacement, DALT, Sound and Vibration testing, Indoor Air Quality testing, or Pre-testing unless price is specified separately above.

WE HEREBY PROPOSE to furnish labor complete in accordance with NATIONAL TAB specifications, for the sum of: SEE ABOVE. Payment to be made as follows: **Terms as specified by our accounting department.**

<p>Acceptance of proposal - The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made in accordance to terms agreed upon.</p> <p>Client Signature: <u>Sean Purvis</u></p> <p>Client Date of Acceptance: <u>03-08-2024</u></p>	<p>Authorized Signature:</p> <p style="text-align: center;"><u>Joe Hertenstein</u></p> <p>Date: <u>02/27/2024</u></p>
