Morning Stephan

I was waiting for the contractor to let us know when he was ready for modesto at least 2 weeks in advance and he forgot, I called him and want us to do the air balance next week like Tuesday otherwise he can have his contact to do this one sorry.

For the **Irvine place** I am waiting confirmation but it should be ready in a week use **P.O M23640**

For **Rivermaid** will be a 3 -4 weeks out more less for this one use **P.O M23641**

Thank you

Good morning Jesse,

You should have received proposals for the listed projects. Let me know if you need any of those resent. Could you update us on the schedules for these? I'd like to get these penciled in as soon as we can.

Thanks,
