Jennifer, Bill,
 Please see attached request. This location was one we were asked to quote that was outside of our service area in the original RFP. Looking back we did not quote a price for this job in event of a return trip. So if the price doesn't work for you let me know and we can work with you. It's higher than the other areas since we have to fly a technician in.
 Thanks,

Subject: ALERT - T&B Rejected - Store # 3840

National TAB Team,

A TAB Report has been rejected, and you are assigned some or all of the re-work. Below you will find the store number, the note that was added, and other pertinent information.

Corrections are required on your behalf before the store can be closed out. Please address the concern and follow up with the appropriate Sevan team member.

Thank you.
