Two POs for TAB of POP-UP bagels from CDT design - see email below. Please get with Corey to coordinate drawings and have him begin to manage readiness, assets, etc. (he should have) and price if you don't have a price.

Subject: TAB pricing for two PopUp Bagels locations

Importance: High

Asher,

Please see below for quotes for two locations. Let me know if you would like to proceed.

1. PopUp Bagel Eval 338 Columbus (NY, NY) - Evaluation of existing HVAC, exhaust & supply systems, gather building information to access best way to install new hood systems, Provide evaluation report with recommendations of increasing existing fans or replacing & other critical attributes to allow for install team to provide final pricing for installation – **COST OF \$1,975**
2. PopUp Bagel Eval (Fairfield, CT) - 1. Evaluation of existing HVAC, exhaust & supply systems, gather building information to access best way to install new hood systems, Provide evaluation report with recommendations of increasing existing fans or replacing & other critical attributes to allow for install team to provide final pricing for installation. No mechanical dwgs have been provided, thus the team will do single line as-built layout – **COST OF \$1,975**

Thank you
