Kenneth
Please see attached proposal. I also included the existing EF's since it doesn't change the price much and then we can validate the overall building pressurization. I did not include balancing of the existing diffusers, but if you want us to do this then it would be \$1500 extra. Let me know if you want that done and then I'll resend
Thank you,

Hi Kenneth
Sounds good. Are you wanting just RTU-3 and 5 balanced or all existing RTU's as well?

Hi Will,
We have replaced/added 2 HVAC units at Kroger 024-00408 Bardstown, KY recently. RTU-3 and RTU-5. Will need to complete a TAB at this location for all units.

Please review the attached information and provide a quote to complete test and balance.

Let me know if you need any other information.

Thanks,
